ONLY \$499!

The 2007 Sandcarving Two Day Class Schedule

The IKONICS Imaging educational tradition continues with the 2007 School of Photo Resist Sandcarving™. Our two-day course has been designed exclusively for photo resist sandcarving. This professional level glass etching seminar is geared to high profit, etched glass products like awards, corporate gifts and individual gifts.

What will you learn in this hands-on seminar?

- **Learn** the basics of creating photo resist masks with RapidMask High Detail and RapidMask High Tack
- **Learn** how to personalize or etch logos and commemorative wording on a variety of substrates including glass, crystal, marble, ceramic and much more.
- **Learn** how to produce the same high quality graphic design (of any complexity) from 10 to 10,000 pieces.
- **Learn**, discuss and demonstrate creating artwork for photo resist on a computer, including software programs, scanning and cleaning up images, printing out the artwork and trouble shooting.
- **Learn** the basics of marketing... What Marketing IS... and ISN'T
- **Learn** and discuss equipment including process and sandcarving. Low cost equipment will be presented as well as higher production, higher cost equipment.

Norm & Ruth Dobbins, two of the most knowledgeable and highly respected glass-etching instructors in the country, teach these classes. Norm and Ruth have published three books and four videotapes on glass etching techniques. They have also taught seminars throughout the United States, Europe and Canada with students from over 35 countries.

Each course is limited to 10 students in order to assure every attendee receives individual attention. The courses are offered on a first-come basis, so early registration is encouraged.

2007 Schedule

April 27-28 Santa Fe, NM

October 26-27 Duluth, MN
